

DESIGNER JACKET WORKSHOP

With Kathryn Brenne

June 7-11, 2010 at The Academy of Fine Sewing & Design

During this 5 day workshop students will have the opportunity to examine both Chanel ready to wear and an original Chanel couture jacket. Students will work on their own designer jacket using methods made famous by a French designer. The lining will be machine quilted to a soft, textured outer fabric to provide stability. Both couture and ready to wear techniques will be demonstrated. Students will have the option of using a combination of techniques on their garment. A gold chain will be hand stitched to the hem. Students will also complete trim, buttonhole and pocket samples to be used as future reference.
