

SHEARLING JACKET WORKSHOP

With Kathryn Brenne

November 11-15, 2009 at The Academy of Fine Sewing & Design

Treat yourself to a luxurious shearling jacket and a five-day sewing vacation! Based on her article for THREADS issue #104, leather expert Kathryn Brenne will guide you through the process of constructing a shearling jacket. This workshop begins with a shopping day in Toronto to visit wholesalers and purchase shearling for your garment. Students who have previously completed a shearling workshop may choose to remodel a fur garment and learn new construction techniques.

GARMENT

Students are free to choose their own project. Shearling is fun to work with and is suitable for all levels of sewers! All students will be asked to bring a ready-to-fit muslin of their garment to class. Please feel free to call Kathryn Brenne to discuss your pattern selection.
